

**Society for the Prevention
of Cruelty to Animals**
Learn the Laws!

Pet Food Industry Regulations.

**Pet food importers and
manufacturers must register with
the competent authorities.**

If you have information about any of the following, please contact us with relevant information to help us better protect pets in Taiwan:

Pet food which is:

- Contaminated
- a hazard to animal health
- expired
- unclearly labeled

Let's work together to make a better
Taiwan, for both its animals and
people.
